April 22, 2011

**Vineyards**

Hillview

**Total Production**

76 cases

**Wine Analysis**

Alcohol 13.5%, TA 7.5g/l, pH 3.1, RS<3g/l

**Winemaking Notes**

Perfectly ripe, flavorful berries were hand picked, lightly crushed, destemmed and transferred to stainless tanks for a 24 hour cold soak period prior to fermentation. We believe the cold soak greatly aids the development of a layered texture in the wine, providing the depth and intensity we achieve.

The juice was cool fermented in stainless steel and briefly aged on light lees prior to bottling.

## 2011 Pinot Gris

Our Shaky Bridge Artisan Series wines use our best hand-picked fruit each vintage and define our skill as a producer of quality wines. Hands on winemaking and endless attention to detail allow us to create multilayered wines of exceptional quality. All our Artisan Series wines provide a rewarding tasting experience, demonstrating the high quality attributes of our source vineyards in the Alexandra basin.

**Winemakers Tasting Notes**

Filled with intense peach, apricot and floral aromas, our 2009 Pinot Gris delivers a luscious, weighty mouthful of wine providing a crisp clean finish with a hint of spice. Unlike many of its global cousins, the style of our Pinot Gris encapsulates the essence of Central Otago by providing a full and uniquely flavoured taste profile for this variety. Match this wine with summer salads, lightly spiced dishes or sushi. Enjoy now or cellar 3 – 4 years to enhance complexity.

Shaky Bridge

Shaky Bridge Wines is located in the stunningly beautiful Alexandra Basin of Central Otago, New Zealand. Our source vineyards are situated below the Southern 45<sup>th</sup> Parallel in the southern most winegrowing region on the globe. Our location is ideally suited to the creation of the aromatic varieties of white wines alongside our primary variety ; Pinot Noir.

Sourcing fruit from 6 distinct blocks, varying in age from 10 - 30+ years, Shaky Bridge Wines owns one of the oldest Pinot Noir vineyards in Central Otago. The various locations, soil types and clones used within each block provides our winemaker, Dave Grant, with a virtual painters pallet of flavors to create multi-dimensional wines of exceptional quality, depth and satisfaction.
